Exhibitions offer a unique opportunity for the students to showcase their works to the audience. An Exhibition is typically both a learning experience in itself and a means of evaluating academic progress and achievement.

Art Mania Worldwide organised two Exhibitions Colour Strokes along with its students. The paintings were prominently and well displayed on the Online platform at www.artmaniaworldwide.com

Both the exhibitions were a huge success. The hard work of the students were appreciated a lot.

“MAGPIE – AN E-MAGAZINE FASHION...!!!

Painting, art, sketch, color these are the most artistic words a person portrait the emotions on the canvas. Brushing your emotions with the effect of colors is the very touching soul of an artist. Artmania World Wide is the cradle to the emerging artists or learners. It has created a milestone making the person learn and spread the paint of love on canvas. Last one-year Art Mania did a very nice job doing the online classes. Many of the students joined it & learned how to portrait their emotions. Art Mania is also associated to our online magazine “MAGPIE” and have published many of its artwork. I wish to Art Mania a good & prospective future & grow in serving the people like this to learn them and achieve the height. All the wishes to "Art Mania World Wide."

5. SUGUNA SREE

I have never held a paint brush ever. But I wanted to explore if I had any artistic side. Mrs. Arpita convinced me that everyone has an artistic side and in no time I was making comprehensible paintings. She has introduced us to a wide variety of painting styles. Thank you so much for all the support and personal attention.

Tavish joined arpita mam's class in the month of March. Initially he was not confident in art work but with mam's guidance and amiable nature he became so confident and friendly . His fine motor skills were developed. Mam clears all the doubts asked by tavish and corrects them . He has shown positive development in his artistic skills. His continued willingness to learn more sometimes surprises us ...but it is all due to proper guidance and attention given by Arpita mam. We are very happy and more than satisfied with his learning graf..

What is this one thing you need to know? You need to know
THERE ARE NO RULES! Truly, no rules.

There is no "right" or "wrong" way to get started!

All of them are great, all of them are perfect - because your art is YOURS.
